Chief Fronterotta,

The team working on the proposed Inglewood Basketball and Entertainment Center is requesting assistance from the Inglewood Police Department to address potential impacts on police protection services and facilities. (See attached letter)

We were in hopes of receiving this information by September 10th to maintain the project timeline. Your assistance is greatly appreciated to expedite the responses necessary to proceed with analysis.

Please let me know if there is someone with IPD that I should specifically contact. I can be reached at 310.499.3338.

Best,
Fred
