**Subject:** Murphy's Bowl: Request for Signal Timing Plans and Future Baseline Street Improvements (ref. 3002)

Kent –

Thank you for meeting with us last week at the City of Inglewood for an initial traffic coordination meeting. You asked us to submit any information requests directly to you.

For each intersection listed below that is controlled by the County of Los Angeles we ask for:

- Signal timing plans and timing schedules
- Planned and funded improvements/changes to these intersections, if any, whether planned as County-initiated improvements or as mitigation for other development projects

In addition we ask for:

- List and description of a transportation-related projects in Lennox in the County's current CIP, if any
- Information on the County's ITS Program in the Lennox area – description of current system, extent of current system, extent of any planned improvements/expansion by 2024
