Subject: Murphy's Bowl: Signal Timing Plans Request for Caltrans

Lisa –

You asked me to send you the contact information for the IGR/CEQA Acting Branch Chief. The phone number for Frances Lee is 213-897-0673.

Naturally, it will be sometime before a meeting is set up with Caltrans. Therefore, as soon as possible we want to obtain signal timing plans for 7 intersections listed below which we believe are controlled by Caltrans.

I assume you'll submit this request on behalf of the City and its consultants. If it's appropriate for Fehr & Peers to make this request, we will.

- La Cienega & I-405 SB ramps (n/o Century)
- La Cienega & I-405 SB ramps (s/o Century)

- Prairie & I-105 EB ramps/112th
- I-105 EB on-ramp/Freeman & Imperial
