Hi Mindy,

I will bring copies of my scope to our meeting today. I know that the focus is on ESA, but wanted to bring the update for discussion purposes and looked at the hours that I believe it will take me which mirrors the approach in the current ESA scope.

Hi: Looking forward to our meeting tomorrow. Will there be a call in number for the 11 am? A member of our team would like to dial in and and can't make it in person. Thank you!
