Hi guys,

I wanted to see if you are around today to check in on the reimburseable agreement. ESA PCR is ready to move forward with a contract and just sent me a minor revision to their scope. I will send you both my scope and ESA PCR's scope which I think are exhibits to the City of Inglewood contracts.

Are you able to talk today? I am meeting with Mayor and Louis at 1:30 with BYD and not sure if either of you will be in that meeting.
