I defer to Mindy, but I think we should have more. I would assume 150, and we could always have them for other meetings.

Ladies – We are planning on bringing 100 copies of the Fact Sheet. Do you think that's sufficient, or would you like a different amount? Please advise.

Thanks,
Christina

Mindy and Lisa,

The PPT presentation is attached for your final review. This version incorporates your edits, reflects the final boards (CEQA process flow chart, list of EIR issues, etc.), and has the same look and feel as the presentation boards. We'll bring the PPT presentation on a flash drive.

Per Lisa's direction, we also translated the Project Fact Sheet into Spanish, and it's attached for your records. We'll bring copies of the fact sheet on Monday.

Please let me know if you have any questions.

Thanks,
Christina
