Mindy

I just left you a voicemail. I have reviewed the contract language and am waiting to talk with our company contracts manager. I will get you our fairly minor comments via email no later than 9:15 and hope that we can work through any concerns by 9:30 (I have a call that starts then). I know we need to be done by 10am, so hopefully this will all work.

Thanks for your assistance and support.

Brian
