Subject: IBEC: AB 987

Mindy and Peter,

The project applicant is interested in discussing the AB 987 application and the transportation inputs that went into the initial application. They would like to set up a call between AECOM and our team, including City staff and F&P. I would like to schedule a call with F&P, the City staff, and the Applicant team to discuss. Can you and others on this email chain please suggest some times that you are available for a conversation on Wednesday 2/13 and Thursday 2/14?

Thanks,
Christina
