I don't think we should send anything to them, just discuss. The agenda we can set when we get on the call.

As the City rep, I will take the lead on each of the proposed agenda items and ask for the team's input on anything I've missed in my synopsis. Please let me know if anyone has any other suggestions so we can have a productive meeting. Thanks.

Perla,

I'm not sure we want to actually send the tribe anything in advance of the meeting as we want to limit our electronic communications. However, we do want to talk about mitigation with them. Preliminarily, I think the agenda makes sense. I'm looking to Mindy to advise.

Thanks,  
Christina

Hello Christina,

Thank you for letting us know and meeting invites were sent this afternoon. Also, did we want to send the tribe any documents for their review before the meeting? And what is the agenda for the meeting? Below is a proposed agenda but please review and modify.

Draft of Agenda

- Recap of the first consultation on March 2018
- Project Status Update
- Discussion on Proposed Mitigation Measures

Thank you,

**Subject:** IBEC: AB52 Follow-up meeting scheduled

Hi team,

The Gabrieleno Tribe is available to do a follow-up meeting for the Inglewood Basketball and Entertainment Center project on **March 20 at 4:30pm**. Does this time for a call with tribe work? Also, could someone please clarify who will be attending from the consultants so that I can coordinate schedules?

If March 20 at 4:30pm does not work, we will have to wait until May to meet with the tribe.

Please let me know at your earliest convenience,
