Subject: RE: IBEC Market Analysis

Hi David and Joe,

I apologize for last minute notice but we are going to have our meeting as a conference call only, no webex. Cynthia from my office will be sending an updated calendar entry that removes the webex info and provides a new call in number.

Respectfully,

Mindy Wilcox, AICP : Planning Manager : City of Inglewood

That time should be no problem. And yes, we can do the same webex. Should I send the invite to the two of you, or others too?

Thanks. How about 11:15? Would you be able to again provide a Webex?

Mindy - Joe's traveling on Thursday and I have the closing for a new condo at 11 Chicago time - it shouldn't take long but just in case, I'd be more comfortable committing to something towards the end of that window, like 11 or 11:30 your time.

Joe and David,

Thanks for the presentation tonight. Would one of you be able to make the same presentation this Thursday anytime between 10am-12pm, Pacific time? We will be meeting with the applicant (via conference call) and would like to brief them on your conclusions. Please let us know if you're available during any of that time period. Thanks.
