Subject: IBEC Site Visit May 10

Hi Fred,

I want to finalize the details of our team's IBEC site visit. We would like to meet at 9am at the gravel parking lot on the north side 102nd Street, just east of Prairie Avenue. Can you please confirm that you or other City staff can meet us and provide access to the gated portions of the project site, including to the gravel parking lot so we can park our vehicles there?

Specifically, we will be performing the biological resources survey, tree survey, and archaeological resources survey. We will work as quickly as we can, but we anticipate several hours' worth of work.

Thanks,
Christina
