- I think since we are doing bio, geo and soils, - we should ask Louis Atwell. I will call him now and ask for a list of names and get back to you asap.

Subject: IBEC-Department Coordination

Hi Lisa,

Can you please identify which Departments/Individuals we need to bring up to speed on the EIR who will need to review specific topic areas for this upcoming round of review? We should plan to send an email out to them by end of this week, along with the calendar invite for 11/26 and 11/27 (preferably just one day if we can identify which day their topic will be covered). If your office can draft an email, I'd like to have Fred send. Thanks.

Respectfully,
