Mindy – do you have time to join by phone or in person at the AQMD on August 7th? It has been hard to get the AQMD to meet, and wanted to see if you can join us to establish a working dialogue about the IBEC assumptions/methodology. This was discussed on our call on Monday and we landed a date.

Hi Michael!

Lijin's voice mail says she is out until December, and we should contact you. So I'm writing to ask if you are available for an initial consultation meeting with myself and Lisa Trifiletti representing the City on the Inglewood Basketball & Entertainment Complex EIR (see attached scoping comments). We were hoping you were available this Friday, July 27th, in the morning at the AQMD headquarters.

Please let me know if this time works for you. We don't envision a long agenda, mostly to start the conversation about project-specific methodology we're considering and similar preliminary topics. Thanks!

Kind regards,

Heidi Rous, CPP
