We actually are handling it. No worries. Where do you normally order from?

Hi Jason, I talked to Lisa yesterday and she said you guys would be ordering lunch. So we have not done that. Please go ahead with that. Thanks.

Good Morning Fred,

I know that you said you were going to take on the lunch aspect on Monday but I wanted to check to see if there are any other logistics we could help you guys with. I wanted to see if I could potentially get your cell so I could give you a call to confirm everything later on today. Thanks!

Best,
Jason D'Andrea
