Subject: RE: Revised Scope of Work and Cost Estimate

My scope was based on less analytic scenarios, and believe that this is going to take much more time than I anticipated, especially in light of the number of comments we anticipate. I would like to recalculate my hours based on this scope received and calibrate to the number of analytic scenarios that is being recommended by ESA/Fehr & Peers. Will work on it right now.

Subject: Revised Scope of Work and Cost Estimate

Mindy and Lisa,

Please find attached our revised Scope of Work and Cost Estimate for the Inglewood Basketball and Entertainment Center EIR. The Scope of Work reflects the City's comments. The Cost Estimate is reflective of the revised Scope,

including the addition of another traffic analysis scenario and reflection of the current schedule. We can talk more about schedule this afternoon. Please let us know if you have any questions.

Thanks,
Christina
