November 28, 2017

The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, California 90012

Dear Supervisors:

COUNTY OF LOS ANGELES

FIRE DEPARTMENT

1320 NORTH EASTERN AVENUE LOS ANGELES, CALIFORNIA 90083-3294 (323) 881-2401

ADOPTED

BOARD OF SUPERVISORS COUNTY OF LOS ANGELES

#4

November 28, 2017

LORI GLASGOW EXECUTIVE OFFICER

FISCAL YEAR-END REPORT AND UPDATED DEVELOPER FEE DETAILED FIRE STATION PLAN FOR THE CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY (3RD AND 5TH DISTRICTS) (3 VOTES)

SUBJECT

The Consolidated Fire Protection District of Los Angeles County (District) has completed its annual review of the Developer Fee Program and is making recommendations to update the Developer Fee Detailed Fire Station Plan (Fire Station Plan). In addition, the annual Developer Fee Funds 2016-17 Fiscal Year-End Report has been prepared for your Honorable Board's approval. Due to nominal variations in the cost components of the developer fee rates, no adjustments to the fee amounts are being recommended this year.

IT IS RECOMMENDED THAT THE BOARD AFTER THE PUBLIC HEARING:

- 1. Adopt the attached resolution updating the Developer Fee Program which: a) approves the Fire Station Plan dated September 2017; b) approves the District's Developer Fee Funds 2016-17 Fiscal Year-End Report; and c) leaves the developer fee rates unchanged for 2017-18.
- 2. Find that updating the Developer Fee Program is exempt from the California Environmental Quality Act (CEQA) Guidelines Section 15273(a)(4) in that it involves the collection of fees for capital projects necessary to maintain services within existing service areas.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On July 12, 1990, your Honorable Board adopted a resolution establishing a County of Los Angeles Developer Fee Program for the benefit of the District. The Developer Fee Program was implemented August 1, 1990, to fund the acquisition, construction, improvement, and equipping of fire station facilities in the high-growth, urban-expansion areas of the District. The Resolution provides that the District will conduct annual evaluations of the Developer Fee Program and make appropriate recommendations to your Board.

Also, on September 4, 2007, your Board adopted a Joint Exercise of Powers Agreement between the County of Los Angeles and the City of Calabasas wherein the parties agreed to exercise the power to levy the developer fee in the City of Calabasas. The City Council also authorized your Board to conduct all proceedings in connection with the levy of the fee, and any modifications of the fee amount, within the city boundaries.

Detailed Fire Station Plan Update:

Pursuant to Government Code Section 66000, et seq., the District has updated the Fire Station Plan to reflect fire station requirements based upon the most current growth projections in the three designated developer fee areas of benefit (Attachment A to the Resolution). The Fire Station Plan identifies 18 additional permanent fire stations, one replacement station, and two helispots that will be developed within the areas of benefit as a direct result of development in these areas.

2016-17 Fiscal Year-End Report:

Government Code Sections 66001 and 66006 require certain findings to be made with respect to any unexpended developer fee revenues and that within 180 days of the close of each fiscal year the District makes available to the public specific information for each account or fund established for developer fee revenues. In accordance with these requirements, the District's Developer Fee Funds 2016-17 Fiscal Year-End Report has been prepared (Attachment B to the Resolution).

Developer Fee Rates:

The current developer fee rates in the three areas of benefit were approved by your Board in November 2016. The District has reviewed current costs for land acquisition, fire station development, equipping and furnishing, and apparatus, as well as administrative costs associated with the developer fee program and have determined that, due to the nominal variation in costs this year associated with the developer fee rates, no fee increases are warranted at this time.

Implementation of Strategic Plan Goals

Approval of the recommended actions is consistent with the County's Strategic Goal No. III, Strategy III.3: Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability by continually assessing our efficiency and effectiveness, maximizing and leveraging resources, and holding ourselves accountable.

FISCAL IMPACT/FINANCING

There is no fiscal impact associated with updating the Fire Station Plan.

The Honorable Board of Supervisors 11/28/2017 Page 3

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Fire Station Plan

Pursuant to Government Code Sections 66002 and 66018, notice of the public hearing to update the Fire Station Plan must be published in a newspaper of general circulation in the areas of benefit and in the City of Calabasas. This exceeds the requirements of Government Code Sections 6061 and 65090 relating to the notice of public hearing. The Developer Fee Program is exempt from the provisions of Proposition 218.

2016-17 Fiscal Year-End Report

Pursuant to Government Code Section 66006, for each separate fund established by the District for developer fee revenues, the District is required to make available to the public the following information:

- A description of the type of fee in the fund.
- The amount of the fee.
- The beginning and ending balance of the fund.
- The amount of fees collected and the interest earned.
- An identification of each public improvement on which fees were expended and the amount of the expenditures.
- The approximate date by which construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement.
- A description of each interfund transfer or loan made from the fund.
- The amount of any refunds made.

In addition, Government Code Section 66001 requires findings to be made once every five years with respect to unexpended developer fee revenues in connection with the public information requirements of Government Code Section 66006. These findings are included in the attached Developer Fee Fund 2016-17 Fiscal Year-End Report.

County Counsel has approved as to form the attached Resolution updating the Developer Fee Program.

ENVIRONMENTAL DOCUMENTATION

This project is statutorily exempt per Section 15273 (a)(4) of the CEQA Guidelines developed by the State Office of Planning Research in that it involves the collection of fees for capital projects necessary to maintain services within existing service areas.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The update of the Fire Station Plan will have no impact on current services or projects.

The Honorable Board of Supervisors 11/28/2017 Page 4

CONCLUSION

Upon conclusion of the public hearing and approval by your Board, please instruct the Executive Officer to return two adopted stamped copies of this letter with the adopted Resolution to the following office:

Consolidated Fire Protection District of Los Angeles County Executive Office

RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES TO UPDATE THE COUNTY OF LOS ANGELES DEVELOPER FEE PROGRAM FOR THE BENEFIT OF THE CONSOLIDATED FIRE PROTECTION DISTRICT AND TO CONSIDER THE DEVELOPER FEE FUNDS 2016-17 FISCAL YEAR END REPORT

WHEREAS, on July 12, 1990, the Board of Supervisors of the County of Los Angeles approved and adopted a County of Los Angeles Developer Fee Program for the benefit of the Consolidated Fire Protection District of Los Angeles County (Developer Fee Program) in Area of Benefit 1, Malibu/Santa Monica Mountains, Area of Benefit 2, Santa Clarita Valley, and Area of Benefit 3, Antelope Valley (collectively, "Areas of Benefit") effective August 1, 1990, which Developer Fee Program is to be updated annually thereafter; and

WHEREAS, the City of Calabasas is located in the Malibu/Santa Monica Mountains Area of Benefit and the City Council of the City of Calabasas has entered into a Joint Powers Agreement with the County of Los Angeles in which the City and County jointly agreed to exercise the power to levy the Developer Fee in the City and to authorize the Board of Supervisors to conduct all proceedings in connection with the levy of fees and modifications of the fee amount within the City; and

WHEREAS, the County of Los Angeles desires to update the Developer Fee Detailed Fire Station Plan, in accordance with Government Code Section 66002; and

WHEREAS, the need for increased fire service resources to maintain services is generated by new development; and

WHEREAS, proposed developments in areas which are designated in the Los Angeles County General Plan as urban expansion areas and areas identified as emerging expansion areas require additional fire protection resources to maintain services; and

WHEREAS, without additional fire stations and equipment, there will be insufficient resources to maintain an adequate level of fire protection services in areas of emerging urban expansion in Los Angeles County; and

WHEREAS, the Areas of Benefit of the Malibu/Santa Monica Mountains, the Santa Clarita Valley, and the Antelope Valley are emerging urban expansion areas; and

WHEREAS, the Consolidated Fire Protection District of Los Angeles County has prepared the updated Developer Fee Detailed Fire Station Plan dated September 2017 which identifies planned fire station facilities to be developed in the Areas of Benefit to accommodate emerging urban expansion and for which funding is to be provided through Developer Fee revenues generated within the Areas of Benefit; and

WHEREAS, the Consolidated Fire Protection District has prepared the Developer Fee Funds 2016-17 Fiscal Year-End Report in accordance with Government Code Section 66006.

NOW, THEREFORE, the Board of Supervisors resolves, finds, and determines that:

- 1. The foregoing recitals are true and correct.
- 2. The Developer Fee Program is for the purpose of generating funds for capital projects necessary to maintain fire protection services within the existing service areas of the Consolidated Fire Protection District of Los Angeles County, and is statutorily exempt per Section 15273(a)(4) of the California Environmental Quality Act Guidelines developed by the State Office of Planning and Research.
- 3. On Work 28, 2017, a public hearing was held to update and consider:
 1) the updated Developer Fee Detailed Fire Station Plan dated September 2017
 (Attachment A) attached hereto and incorporated herein, which serves as the Developer Fee capital improvement plan and describes the acquisition, construction, installation, and equipping of fire stations to be funded with developer fee revenue; and 2) the Developer Fee Funds 2016-17 Fiscal Year-End Report (Attachment B).
- 4. The Board of Supervisors approves and adopts the updated Developer Fee Detailed Fire Station Plan dated September 2017 and the Developer Fee Funds 2016-17 Fiscal Year-End Report. All other terms and provisions of the Developer Fee Program as previously adopted by the Board of Supervisors of the County of Los Angeles shall remain unchanged and in full force and effect.

The foregoing resolution was adopted on the day of day of 2011, by the BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES.

LORI GLASGOW, Executive Officer Clerk of the Board of Supervisors

DEVELOPER FEE DETAILED FIRE STATION PLAN

FOR THE

COUNTY OF LOS ANGELES DEVELOPER FEE PROGRAM
FOR THE BENEFIT OF THE
CONSOLIDATED FIRE PROTECTION DISTRICT
OF LOS ANGELES COUNTY

SEPTEMBER 2017

DEVELOPER FEE DETAILED FIRE STATION PLAN

PREFACE

This Developer Fee Detailed Fire Station Plan (Plan) reflects the Consolidated Fire Protection District's (Fire District) fire service requirements as of September 2017 based upon growth projections and contacts with cities and developers who have shared their development plans with the Fire District.

The Plan identifies 18 additional fire stations, one replacement station, one station expansion, two helispots, and the necessary capital equipment that will be required in the Areas of Benefit as well as the anticipated costs and time frames provided that development occurs as expected. The anticipated costs identified in the Plan will be funded by Developer Fee revenues or funds which the Fire District has advanced from other sources. These advances will be repaid to the Fire District when sufficient Developer Fee revenue is generated.

Terms Used in Plan	Explanation
Fire Station/Location	In most cases a site has not yet been acquired; the locations are therefore approximate.
Anticipated Capital Project Costs	 Where actual costs are not yet available, the anticipated capital projects costs are based upon the Fire District's current cost experienced for construction, land and equipment.
	 Apparatus cost includes the full cost of the apparatus as well as outfitting and equipment costs. No Fire District overhead costs nor an inflation factor have been applied; all figures are based on current costs. Developer Fee credit may be granted for the conveyance of a site, apparatus, or construction of a fire station to help offset the impact of development on the Fire District.
Project Cost Estimate	Based on average costs for fire stations recently completed and stations under development; includes plans, specifications, consultant services, plan check, permit and inspection fees, construction, project management, furnishings, and equipment.
Amount Budgeted	The amount budgeted could be from Developer Fee funds collected or advanced from Fire District general revenues or certificates or participation. All advances made and/or interest incurred by the Fire District to finance station development are to be repaid when Developer Fee revenues are sufficient. If no amount is budgeted, the development of the fire station may be delayed until Developer Fee revenues are sufficient to fund the site acquisition and/or construction of the fire station.
Equipment and Staffing	This plan reflects the proposed staffing and equipment to be implemented when each station and the development served by each station are built out in the respective areas of benefit. In many instances, a transitional staffing confirguration will be utilized until build out occurs.
Fiscal Year	The Fiscal Year period begins July 1 and ends June 30.
Initiating Priority Year	Refers to the fiscal year that the land acquisition or construction of the fire station is anticipated to begin.
Target Occupancy	Target occupancy is approximately one to two years from the actual start of construction.

STATIONS OPERATIONAL: REIMBURSEMENT PENDING*

Facility	Capital Project Costs		Funding Source*	Station Size, Equip. and Staffing	Comments
Fire Station 128 28450 Whites Canyon Rd. Santa Clarita Valley	Prinicipal Paid(\$	9,066,972 (\$245,000) (3,821,972	Commercial Paper Proceeds	9.976 sq. ft. Engine	The site was conveyed to the Fire District by Shappell Industries for developer fee credit. Partial funding totalling \$3.6 million was provided by the American Recovery and Reimbursement Act. The fire station was completed and opreational in March 2012.
Fire Station 132 Wes Thompson Ranch 29310 Sand Canyon. Rd. Santa Clarita Valley	Prinicipal Paid(\$	3,127,873 \$400,000) 27,873.00	Commercial Paper Proceeds	9,746 sq. ft. Engine	The site was conveyed to the Fire District by K. Hovnanian (VTTM 49621). Apparatus for this permanent station was transferred from temporary Fire Station 132. The permanent station was completed and operational March 12, 2012.
Fire Station 143 28580 Hasley Canyon Rd Santa Clarita Valley	Prinicipal Paid	7,913,986 7,913,986	Commercial Paper Proceeds	9,700 sq. ft. Engine	The land was conveyed by the developer, Newhall Land and Farming, for developer fee credit. The fire station was completed and operational in November 2016.
Fire Station 150 19190 Golden Valley Rd. Santa Clarita Valley	Prinicipal Paid(\$	1,483,583 \$205,000) 1,278,583	Commercial Paper Proceeds*	19,935 sq. ft. Haz. Mat. Task Force (Engine and Squad) BC/AC HQ	The site was conveyed to the Fire District by Pardee Homes for developer fee credit. A Hazardous Materials Task Force assigned to Fire Station 76 was reassigned to staff this station. The fire station was completed and operational in Feb. 2013.
Fire Station 156 24505 Copper Hill Drive Rye Canyon Area Santa Clarita Valley	Prinicipal Paid(\$	7,512,226 \$370,000) 7,142,226	Commercial Paper Proceeds	11,152 sq. ft. Engine	The site was conveyed to the Fire District from Newhall Land and Farming for developer fee credit. Apparatus was transferred from temporary Fire Station 156. The station was completed and operational in 2011.

^{*}The Fire District is financing costs that exceed the developer fee funds available within Area 2 - Santa Clarita Area of Benefit. The Fire District will be reimbursed the costs it advanced, including interest and administrative charges, from Area 2 as revenues are collected, and from the City of Santa Clarita for the City's proportionate share of fire station facilities financing.

IN PROGRESS

TARGET OCCUPANCY: 2019-20

Facility	Anticipated Capital Project Costs		•		Comments/Status	
Fire Station 104 26901 Golden Valley Road (at Soledad Canyon) City of Santa Clarita	Project cost est. Apparatus Total	8,845,552 749,967 \$	9,595,519	\$400,000 Developer Fees	Engine	This station will replace temporary Fire Station 104. The land was purchased by the Fire District in Dec. 2010. The Hazardous Materials Task Force from Fire Station 150 may be relocated to this facility upon completion. The apparatus cost reflected is for the replacement engine that would be needed at Station 150 as a result.

INITIATING PRIORITY YEAR: 2017-18 TARGET OCCUPANCY: 2020-21
