Brian Allee, Managing Associate with ESA, contacted Yadalitl Preciado, ADA Attendance Clerk with Inglewood Unified School District (IUSD), at 3:45pm on January 7, 2019. Brian wanted to confirm if the IUSD had an agreement with the Board of Education to allow students from other school districts to attend schools within the IUSD attendance boundary if the student's parents were employed within the City of Inglewood. Yadalitl confirmed that the IUSD Superintendent could approve this through an inter-district attendance permit. Yadalitl then provided the website to Brian for the Inglewood USD, AR 5117 Students, Inter-District Attendance Permits, <http://www.gamutonline.net/district/inglewoodusd/displayPolicy/1079451/1>, which provided further details on the process.
