Hi, Christina and Brian,

Please see the attached memorandum for responses from the Project sponsor representative, in blue text. I am also attaching a draft of Sheet C-401A-F that shows the proposed new public and private on-site fire hydrants, and existing hydrants, for reference. Please let me know if you have additional questions on these responses.

Thanks,
Dennis

Dennis,

A handful of questions for you regarding public services (police, fire). Please review the attached memorandum, verify or modify the language we've suggested, and respond as soon as possible. Please consider this a high priority.

Thanks,
Christina
