Mr. D'Andrea

Attached is the traffic impact analysis for a more recent project you can use to update your data (see PDF page 392). In regards to your list, here are some updates:

#40 – it is 24 SFD and 34 MFD. No senior housing.

#47 – this project was not approved by council and is no longer planned at this time.

A lot of what's in the list are very old, and a lot are relatively small projects. We are not set up to exhaustively fill in the blanks, but I hope what I've provided helps.

Let me know if there's anything else you need.

Russell Toler

Mr. Poler,

Thank you for getting back to me. Just for the record I am sorry for the confusion, I was sending emails to rpoler@elsegundo.org and not your correct email address rtoler@elsegundo.org. I attached the original emails I had sent you over the last week and a half below this email.

Attached is the related projects list we have for the City of El Segundo. Please update the list, if necessary. I have also attached the Notice of Preparation, which includes the project description for the Inglewood Basketball and Entertainment Center. If you could submit an updated list as soon as you can, it would be greatly appreciated. Thanks again!

Best,
