Good morning Maria,

We last spoke on May 17th, 2018 via email regarding the City of Hawthorne's Related Projects List. I want to thank you again for your help last month. Our Team is compiling more information for the individual projects from the City's that we requested it from, including the City of Hawthorne. We have added a new column, titled "Project Phase – Estimated Completion Date" to our update.

Please see the attached list. If possible, could your Team please provide us with each project's phase and the estimated completion date (year is fine).

For Non-Completed Projects:

Could you please fill in the project's current phase and the project's estimated completion date (year) for Project #'s 1-13 (highlighted in red). To avoid confusion you can see that Project #12 and #13 are highlighted in yellow, these are the new ones you had added to our list the last time we spoke.

For Completed Projects:

If any of these projects have been completed, could you please just state in the excel list "Completed in (year completed)" for our records.

Thank you. Please call me if you have any questions. My Team really appreciates your help!

Best,
Jason D'Andrea

To whom it may concern:

My name is Jason D'Andrea and I am reaching out on behalf of the City of Inglewood. We are working on the Inglewood Basketball Entertainment Center EIR, and for our traffic analysis we are requesting a list of development projects from the city of Hawthorne. Attached includes: 1. the Notice of Preparation, which includes the project description for the Inglewood Basketball and Entertainment Center, and 2. City of Hawthorne Initial Development List. Please update the list, if necessary. We appreciate the help, thanks!
