Subject: RE: City of Lawndale Related Projects List

Hi Jason,

Project # 1 is not in the city of Lawndale it's the unincorporated area it's a different jurisdiction. As for the other projects they have not pulled permits so I don't know when the anticipated completion date will be as they have not started building yet.

Chris,

Awesome, thank you! Do you by any chance have any additional information on Project #1? As well as the estimated completion dates (year is fine) for Project #'s 2, 3, 4, 6, and 8?

Thanks again,

Subject: RE: City of Lawndale Related Projects List

Good morning Chris,

We last spoke on May 15th, 2018 via email regarding the City of Lawndale's Related Projects List. I want to thank you again for your help last month. Our Team is compiling more information for the individual projects from the City's that we requested it from, including the City of Lawndale. We have added a new column, titled "Project Phase – Estimated Completion Date" to our update. Please see the attached list. If possible, could your Team please provide us with each project's phase and the estimated completion date (year is fine).

For Non-Completed Projects:

Could you please fill in the project's current phase and the project's estimated completion date (year) for Project #'s 1-9 (highlighted in red).

For Completed Projects:

If any of these projects have been completed, could you please just state in the excel list "Completed in (year completed)" for our records.

Thank you. Please call me if you have any questions. My Team really appreciates your help!

Best,
Jason D'Andrea

Chris,

Please fill in the related projects list attached for Jason and Perla. We may only have one or two projects to provide for them. It's for their CEQA Analysis for the new Clippers Arena in Inglewood.
