Subject: FW: AB 52 Documentation Needs

Perla,

I believe you/Trifiletti Consulting were handling the initial AB52 coordination for the IBEC. ESA needs the initial contact letters from the City to the Gabrieleno Tribe to complete their discussion in the DEIR. Will you review your files and forward the initial letters?

Thanks,
Fred

Hello Mindy and Fred,

I want to follow up on your past discussions with and materials provided by the Gabrieleno Tribe for consultation under AB52. There are materials that we need from you do fully develop this discussion in the EIR. Please see below and provide today, if at all possible. Thank you!

- Initial contact letters from the City to the Tribe(s)
- Copies of the response letters from the Gabrieleno Tribe asking to consult
- Any additional correspondence in email, call logs, or notes from calls
- We already have the City's notes from the meeting on Wednesday, March 21, 2018. However, there are maps referenced in this documentation that we do not have.

Thank you!
