Peter, any chance you can make the meeting happen on Wed at 10:30?

Hi, Christina,

Unfortunately, tomorrow afternoon will not work for the AECOM team, and we want to make sure that they're on the call for the discussion. It looks like Wednesday from 10:30 to 11:30 is the best chance for AECOM, and we can also have Rob Hodil join.

Lisa, can we have Mindy or Fred join us for the call on behalf of the City?

Thanks
Dennis

Peter can only make 2-3 Tues. If you have another meeting, Mindy or Fred will be able to attend the other times, but Louis wanted Peter to join at least one.

Chris and Dennis,

Following our team call yesterday, we understand the need to set up a call between AECOM and ESA to discuss AB 987 and the requirements/methodology to address GHG. Below is our team's availability:

Tuesday 9/11
2:00-3:00 pm

Wednesday 9/12
10:30-11:30 am

Thursday 9/13
9:00-10:00 am

Friday 9/14
After 3:00 pm

Please let us know what works for your team. We'll also need to loop the City in as they wanted to be part of the conversation. Lisa – can you take the lead on coordinating with City staff?

Thanks,
Christina
