Subject: LA Clippers: ENA Site Plan and Legal Description

Hello:

Attached is a letter to the City of Inglewood to deliver the materials required under Section 3(d) of the ENA to identify the "Proposed Arena Site" and provide a conceptual site plan, current as of May 30, 2018.

The attachments include a graphic depiction of the properties proposed to be included in the Inglewood Basketball and Event Center project, a detailed list of those properties by APN and address with a legal description, current ownership, and interest to be acquired for each property, and the most recent conceptual site plan prepared by AECOM. Note that this site plan has already been provided to the City of Inglewood and its consultants in connection with the environmental review process. The properties listed are the same as were identified in the EIR Notice of Preparation.

Best regards,

Chris Holmquist
