Subject: IBEC -- HPSP 2024
Importance: High

Team,

We need resolution on the 1) development assumptions, 2) number of parking spaces available to IBEC, and 3) physical layout (location of parking lots/structures) of the Hollywood Park Specific Plan in 2024. We understand there was a meeting on September 24 that may have provided this information. Please forward information on these items **asap** as this is a time-sensitive issue to continue preparation of the transportation analysis.

Thanks,
Christina
