Subject: IBEC ESA/AECOM AB 987 GHG call

Chris and Dennis,

Following our team call yesterday, we understand the need to set up a call between AECOM and ESA to discuss AB 987 and the requirements/methodology to address GHG. Below is our team's availability:

Tuesday 9/11

2:00-3:00 pm

Wednesday 9/12

10:30-11:30 am

Thursday 9/13

9:00-10:00 am

Friday 9/14

After 3:00 pm

Please let us know what works for your team. We'll also need to loop the City in as they wanted to be part of the conversation. Lisa – can you take the lead on coordinating with City staff?

Thanks,
Christina
