I could do either but think 5 or 5:30 is easier for me too. Royce?

Thanks Lisa. End of day would be better for me if possible, although I could probably make 7:30 work if that's best for everyone else.

Hope you all are having a good weekend.

Hi guys,

I just spoke with Bettye and she is available for a call to discuss the grants on Tuesday. She has a doctor's appointment which will take her out of the office for some time, but she can do either very early in the am which I can do – say around 7:00 or 7:30am (since Bettye gets into the office every day at 6:30 am!) or at the end of the day.

Dan and/or Royce- can you make either work for a call?
