Just confirmed with Mari. We had originally offered to set up the meeting and send out the initial notices but the City of Inglewood set up the initial consultation.

I attended the initial consultation and prepared meeting minutes but we did not send out the initial letters from the City to the Tribe.

Letters Catherine pulled up are the tribes responses to the initial letters.

Are these the letters you need?

It's the only ones in my Clippers folders dealing with the Tribe.

Hi Addie,

I am going to send you what we have in reference to the 3rd and 4th bullet below, in a series of emails. Fred will follow up with you regarding #2 and Lisa's office for #1.

Hello Mindy and Fred,

I want to follow up on your past discussions with and materials provided by the Gabrieleno Tribe for consultation under AB52. There are materials that we need from you do fully develop this discussion in the EIR. Please see below and provide today, if at all possible. Thank you!

- Initial contact letters from the City to the Tribe(s)
- Copies of the response letters from the Gabrieleno Tribe asking to consult
- Any additional correspondence in email, call logs, or notes from calls
- We already have the City's notes from the meeting on Wednesday, March 21, 2018. However, there are maps referenced in this documentation that we do not have.

Thank you!
