OK. Probably going to need Mindy or Fred to track this stuff down. I'm sorry that it is late in this request, but I honestly thought I had seen the write-up before. Not sure what I was seeing.

Can we get them? We need them for the write up in Land Use, as well as in our Cultural Resources report. I thought that this had been consolidated and written up in the ENA, but I couldn't find it there. I thought I had seen it somewhere.

Do you know if there is a good write up of the history of the IBEC site, previous development, how the properties were acquired and cleared, etc.?
