Hi all,

Would folks who plan to attend Monday's meeting in person kindly let me know? I'd like to get an accurate headcount so that we can coordinate an appropriate lunch order.

Thanks so much!

Best,

Hi all,

I spoke with Dennis again last night and he explained why the applicant would like folks to attend in person on Monday. Looking forward to talking with you all shortly. Please see the draft agenda attached.

We will also need a solid headcount so we reduce food waste and we can work with Mindy on an appropriate lunch order today to prepare for Monday.

Thanks,

Lisa Trifiletti

Hi team - I connected with Loren and Dennis and they too want to discuss the following:

1. Data Needs Review
2. Concept Design and Site Plan
 - A. Proposed Project and Variant
 - B. Pedestrian Circulation and Pedestrian Bridge
 - C. Transit and Shuttles
3. Legislation Update
 - A. Certification Application
 - B. Transportation Assumptions
4. Project Objectives and Alternatives
5. Analysis Methodologies
6. Agency Coordination and Outreach

I think it is still may be better to meet live for those that can, but do not think we will take all 4 hours. Christina, Mindy, Brian - can we jump on a call early tomorrow to decide on whether we think this agenda warrants an in person meeting requiring folks to fly down to LA.
