Ok. Yes, peter is working on reviewing the two transportation sections. He'll have his comments to us by end of tomorrow.

I think it's helpful to have someone available in person, but if all we can get is Peter 1-2 via phone, then that's what we'll take. We really need Public Works' comments on the transportation sections submitted as part of Bundle 3. We'd appreciate your help in wrangling those comments. Thanks.

Christina and Lisa,

Do you think we need someone physically present from Public Works for the transportation discussion? Peter has advised that he is only available from 1-2 on Wednesday (by phone).
