Yes, sent to FD, PD, IUSD, Parks, PW-Water, PW-Trash, but not to PW for hazardous materials. Can you coordinate with Louis to send that to appropriate section or let me know who it needs to go to and I'll send the same email to them. Thanks.

Just checking back on this. Looking at the bundle, did you send out to Rec and parks, fire and PD. Also, this would go to public works for hazardous materials. I see you sent this out to folks in the city, but did you need us to follow up individually?

Lisa,
We have not had a chance to connect on which Departments need to review what of this Bundle 2. Can you please call me today so I can confirm it's sent to everyone it needs to go to. In the future, please plan for us to connect within 24 hours of a new bundle. Thanks.
