I have a meeting with LADOT downtown from 9-10. I can do a call before or after that or I could be in Westchester by a little before noon.

I'll check Jonathan's schedule when I see him this morning.

Hi Sean,

Just checking back in. Wanted to see if you can meet this week with Pat Gibson and I on Northside. Are you downtown at all this week, or just in the Westside?

Hi Sean,

Thanks for your guidance and support. Working with Srinath on the VMT Calculator per your suggestion. Will keep you in the loop.

Also, are you available next week to meet with Pat Gibson and I on the LAX Northside? BY any chance, do you work ever downtown? Was hoping to see if Thursday or Wed we could meet, and did not know if you were going to be downtown at all.

Hi Omar,

Only the first to projects on your list are within the City of Los Angeles. The rest of the projects are either in an unincorporated area of Los Angeles County or other city.

Attached please find a list of City of Los Angeles projects within a 3.0-mile radius of the southeast corner of Century Bl and Prairie Ave in the City of Inglewood. Information for 5975 S Western Avenue and 8415 S Hoover Street are included in this list.

If you have any questions regarding any of the projects under the Metro office, please contact me. For any of the projects under Westchester, please contact Clive Grawe (cc'ed) here.

Hi Eileen,

Sean forwarded me this request from Inglewood for info on these Related Projects which all appear to be in your jurisdiction. The first two projects are yours specifically. Would you mind providing the info directly to Omar, Lisa, and Perla. I did notice that some addresses such as 1816 W Imperial Hwy do not appear in our CLATS, so you might have to clarify some addresses with them.

Thanks, Clive

Hi Sean – it was good speaking with you today! Thanks again for your help with this.

For our work with the City of Inglewood, we are updating our initial related projects list for the Inglewood Basketball and Entertainment Center (IBEC) , and the team had a few questions regarding the attached projects in the City of LA (listed below as well).

When you get a chance, can you help us answer the remaining information needed for each of the projects? The questions we have are in the column to the furthest right. If you have any questions please give me a ring.

Thank you Sean!
