Hi guys,

I just spoke with Bettye and she is available for a call to discuss the grants on Tuesday. She has a doctor's appointment which will take her out of the office for some time, but she can do either very early in the am which I can do – say around 7:00 or 7:30am (since Bettye gets into the office every day at 6:30 am!) or at the end of the day.

Dan and/or Royce- can you make either work for a call?
