Morning team,

Just a quick reminder that this morning's meeting is on the 6th floor of the Administration West building at 7301 World Way West, Los Angeles CA 90045. This is the building west of the main airport area near Pershing Drive. There is guest parking available directly adjacent to the building to the east or across the street. Please meet in the lobby of the building through the entrance that faces World Way West.

Directions to the building -

If you are driving from the 105, please take westbound Imperial Hwy to northbound Pershing Dr, and then head east on World Way West (7301 building will be on your left after the first street light).

If you are driving from the north, please take westbound Westchester Pkwy to southbound Imperial Hwy, and then east on World Way West.

Thank you !
