Hi everyone,

Received an email this morning from the tribe stating that they are no longer available today at 11am (see below). However, they are still available to meet at 4pm today. Does this work for everyone?

Thanks,

Hello Brandy,

I hope you are doing well. My name is Perla and I am reaching out to you on behalf of the City of Inglewood regarding the Inglewood Transit Connector Project. Earlier this year, the City of Inglewood mailed letters notifying the public that the City of Inglewood is initiating the environmental clearance process for a major transit project, the Inglewood Transit Connector. In June, a tribe representative reached out to Mindy Wilcox (Inglewood City Planning Manager) and requested an initial consultation with the City of Inglewood regarding the project.

**I am reaching out to you today to schedule the consultation between the Gabrieleno Indians Band of Mission Indians – Kizh Nation, and the City of Inglewood. What is the tribe’s availability the first week of December? (12/3 – 12/7)? If those dates do not work, what other dates work for you and the tribe government?**
