Subject: Mon the 23rd

Good morning team,

I Hope you are well and having a good morning I am wondering about whether or not we should have a meeting on Monday the 23rd. I have reached out to Loren and Dennis to find out if they have anything new to share and waiting for a response, but at this point I still do not see a need for another workshop without an updated site plan. Do you guys believe we need to get together in person or should we just do a check-in call?
