Hi, Brian,

I think that yesterday's presentation fulfills the reason we were going to set up the webex, but I think we also wanted to have a follow-up discussion with Fehr & Peers regarding the fanbase location shift data. Is anyone from the team at F&P able to join at 2, or can we set a call with them at a different time?

Thanks,
Dennis

Chris and Dennis,

I sent the information for a webex meeting at 2:00. That said, with your presentation of the current design at yesterday morning's meeting, do we need to have the call at 2:00 today? I can't recall offhand if there were other issues we wanted to cover or discuss.

Please let me know.
