Hi, Anitra,

I don't have the updated list from AECOM yet, so I don't think we will be ready at 4:00 today – I'm trying to get a delivery time for the updated information and a window from Eric for a call either Thursday afternoon or Friday.

Hi Dennis,

Is 4 pm today good for you and Chris? Let me know if you prefer a new day and time. We really need to confirm the equipment list so we can move forward with emission calculations. Thank you.
