Re: Inglewood Basketball and Entertainment Center

Dear Ms. Wilcox:

We understand that the above project is currently under environmental review by the City. Please be advised that we have reviewed the capacity of the Inglewood Police Department as it relates to the project and have determined that the development of the above proposed arena and associated development will not result in a need for the Inglewood Police Department to construct a new or expanded police station. Additionally, the above arena, in combination with anticipated development throughout the City, including build-out of the Hollywood Park Specific Plan is also not anticipated to result in a need by the Police Department to construct a new or expanded police station.

Should you require any additional information or clarification on this matter, please contact me.

Sincerely,

MARK FRONTEROTTA
Police Chief
