Subject: RE: IBEC Cultural Report - Not for Distribution

Thanks, I have the most recent Cultural Resources chapter and will walk through our previous consultations (briefly) and update them on our revised approach in response to their concerns on our last call. If they are prepared to close consultation, can ESA prepare a draft letter to document this, within your existing scope?

Respectfully,

The latest report is attached. A few minor changes are ongoing, as a result of the June 3 and 4 meetings. However, the mitigation has not changed.
