Subject: RE: IBEC: Event Shuttle Circulation Maps

Hi Mindy,

As a preliminary review, these routes are good. Though as we create a TMOP for events at the arena, we may propose modifications.

A few questions:

1. These shuttle services are for game day only, correct?
2. Do we have approval from the Clippers that the Blue and Gold Shuttle Service has access to the roads on the east and south of the Arena? Just want to make sure that these roads are not close during event days for staff, players, and media.

Subject: FW: IBEC: Event Shuttle Circulation Maps

Hello, all:

Following up on our discussion of shuttle service to rail stations, I am forwarding the map of the proposed shuttle routes from the existing Hawthorne Station and the future Downtown Inglewood and AMC/96th Street stations to the IBEC project site, dropping off at the planned location on the east side of Prairie Ave.

Please let us know if you have any questions, and we can plan to review any comments or questions at our next opportunity in a meeting.

Thanks,
Dennis
