Subject: IBEC Request for Information from Inglewood PD

Good afternoon Gloria.

In coordination with the City of Inglewood Planning Division, ESA is preparing an Environmental Impact Report (EIR) for the proposed Inglewood Basketball and Entertainment Center (IBEC) project pursuant to the California Environmental Quality Act (CEQA). ESA is seeking additional clarification/information regarding police protection services and facilities for the IBEC project. Please find the attached information request letter. Please feel free to call me to discuss our information needs and/or any questions regarding the IBEC project. An emailed response to this information request would be ideal. If possible, we are hoping to receive a response by Wednesday, January 2nd. I appreciate your time and assistance with this effort. Happy Holidays.
