Subject: Re: IBEC Request for Information from Parks

Hi Brian,

Happy New Year! Please find below the response to your inquiry:

<!--[if !supportLists]-->Q. <!--[endif]-->*What are the City park operating hours? Are these operating hours the same for all parks? If not, what are the operating hours for Center Park?*

<!--[if !supportLists]-->A. <!--[endif]--> Park operating hours are 8 a.m. to 8 p.m. at all parks except Siminski Park. By City ordinance, Siminski Park closes at dusk. Athletic field usage at Rogers Park, Darby Park and Edward Vincent Park is allowed until 10 p.m.

Advise if additional information is required.

Also, please let me know how information is being distributed to my office. Your memo is dated November 26, 2018. However, I only received your 12/28 and 12/31 correspondence on this matter. This is the second time this has happened.

Regards,

Sabrina Barnes, Director

Parks, Recreation and Community Services

Subject: IBEC Request for Information from Parks

Good afternoon Sabrina.

In coordination with the City of Inglewood Planning Division, ESA is preparing an Environmental Impact Report (EIR) for the proposed Inglewood Basketball and Entertainment Center (IBEC) project pursuant to the California Environmental

Quality Act (CEQA). ESA is seeking additional clarification/information regarding parks and recreational services for the IBEC project. Please find the attached information request letter. Please feel free to call me to discuss our information needs and/or any questions regarding the IBEC project. An emailed response to this information request would be ideal. If possible, we are hoping to receive a response by Wednesday, January 2nd. I appreciate your time and assistance with this effort. Happy Holidays.
