PROJECT TITLE: City of Inglewood Well No. 7
PROJECT SPONSOR: City of Inglewood, One West Manchester Blvd, Inglewood, California 90301
PROJECT LOCATION: 101 West Arbor Vitae Street, Inglewood, California 90301

PROJECT DESCRIPTION:
Construction of a new 700-foot deep water production well for the City of Inglewood on the City owned parking lot in an urban area. New submersible pump assemblies will be installed to reduce noise from the operations. The noise from the operation of 24/7 drilling will be temporary and drilling would be completed within approximately 30 days. A temporary 30' high sound insulation wall will be installed around perimeter to reduce the noise from drilling and construction.

A new 12' high fence and gate will be installed around the perimeter to prevent vandalism. The discharge pipe will be connected to the existing raw-water transmission main, which transports water to the City of Inglewood Water Treatment Plant. All construction works including installation of pipes, valves, fittings will conform to all applicable standards and meeting all applicable testing and material requirements.

This is to advise that the City of Inglewood City Council has approved the above described project on Lead Agency or Responsible Agency
