Hello Rafael,

Thanks so much for your email. Unfortunately it's my daughter's spring break so I won't be in next week. Maybe we can do it the following week?

Thanks,
Louis.

Subject: Request for Meeting/Workshop

Hi Louis,

As a follow up to our conversation last week, I'm writing to ascertain your availability for a meeting/workshop next week to traffic in relation to the IBEC.

Mid mornings probably work best for us.

Thanks.
