Justice Clarence Thomas Silent For Over Three Years

Justice Clarence Thomas has been silent for over three years, a fact that has raised questions about his health and his ability to perform his duties. The Supreme Court has not heard from him since he was appointed in 1991. Some believe he may be suffering from a serious illness, while others think he is simply taking a long break. The court's composition is currently uneven, with only six justices remaining.

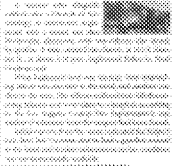

Mayor Butts' No-holds Barred

Interview: The Los Angeles Clippers, The Forum and MSO

Mayor Butts is facing a series of challenges in his role as the head of the city. His no-holds-barred approach to governance has led to both praise and criticism. In an interview, he discussed his plans for the future, including the development of the Los Angeles Clippers arena and the expansion of the city's infrastructure. He also addressed the city's financial situation and the need for innovative solutions to address the budget deficit.

Man Who Threatened

...found guilty. The man, who had threatened the lives of several people, was found guilty of multiple charges. The court heard evidence that he had made threats against several individuals, including a former colleague and a family member. The judge sentenced him to a term of imprisonment and a fine.
