Good day Yesenia,

We spoke recently regarding the Clippers arena and you requested the City Council information on approval of the agreement associated with the potential arena. [Here](#) is a link to the City Council staff report for the Exclusive Negotiating Agreement associated with the arena (Approved August 15, 2017). If the negotiations are successful, the City would execute a Disposition and Development Agreement to allow the owner to obtain entitlements/permits and build the arena.

Please let us know if you have any follow-up questions or need any additional information.

Respectfully,
