Good day Chris,

As we are preparing to start the NOP review period next Tuesday, February 20, we need to gather the contact info for any party/person who has expressed interest in the arena project, in the past. We plan to send the NOP out to them as we have typically done that for previous NOPs. I have contact info for one person who contacted me about the project. Do you have any other contacts and is there anyone else in the City I should check with? Thanks.

Respectfully,
