Jesse,

Please the most recent proposed development list. If you have any questions, please email or call x4255.

Regards,
Fred

Good Afternoon Mindy,

I really need this info by next week as we have a consultant requesting this.
Thank you and have a great weekend.

Regards,

Jesse Sira — Water Operations Manager

Subject: Proposed Development list

Good Afternoon Mindy,

Can you send me your most recent Proposed Development list, such as you did when we were conducting our hydraulic analysis?
This is for the water and sewer section planning; we want to get an idea of new water and sewer connections (residential and commercial) that will be installed in the coming years.

Thank you,

Jesse Sira – Water Operations Manager
City of Inglewood - Public Works Department

Hi Jesse,
We maintain a 'Proposed Development' list in our office that we will update and provide to you. We can provide this to you on approximately January 11. Will this work for your schedule? Do you want our current list that is not 100% up to date in the meantime?

Respectfully,
Mindy Wilcox, AICP : Planning Manager : City of Inglewood

Subject: Revised Inglewood Hydraulic Analysis

Good Morning Eloy,

I am going to be working with TetraTech Inc. to revise the Inglewood Water Hydraulic Model. They are asking the City to provide as much information on current, future and proposed developments which will have an impact on the City's water system and our ability to meet all water demands. Can you provide me with a list of all planned and proposed developments and contact info so that I can get water consumption information?

Some that I am aware of include the Market Street – Gateway project, Imperial Hwy project, proposed Clippers Stadium, and the Manchester / Aviation project.

Regards,

Jesse Sira – Water Operations Manager
